Health & Safety Policy

At Lynn River Limited, we are committed to providing a safe and healthy work environment for all employees, suppliers, contractors, visitors, and the community. We recognize that our success depends on the well-being of our people, and we are dedicated to complying with all relevant health and safety laws, regulations, and standards, including ISO 45001:2018.

Our commitment is to:

- Provide visible leadership and accountability for health and safety throughout our organisation.;
- Eliminate and, when not possible to eliminate, minimise any risk to health and safety;
- Work for the prevention of work-related injuries and ill-health;
- Ensure consultation and participation of all employees, especially non-managerial staff in decision making processes related to Health and Safety Management System.
- Comply with ISO 45001:2018 and any other legal requirements; and
- Work towards continuous improvement.

The objectives we will pursue to satisfy this commitment are:

- Providing a safe place to work;
- Providing appropriate induction, training, and supervision;
- Proactively identifying risks and unsafe behaviours and eliminate or, when not possible to eliminate, minimise them;
- Monitoring workplaces and workers health, especially those who work in high-risk areas or activities;
- Assessing and recognising the health and safety performance of employees; and
- Providing opportunities for fair and effective workers representation and resolution of issues.
